

Testimonials

These are testimonials from participants from various classes and sessions (half-day, full-day, multiple days). The courses were taught by Linda Bernardi in the US and internationally.

"For organizations seeking to unleash the full potential of their people, the Bernardi Leadership Institute training is a powerful tool and worthwhile investment. Linda Bernardi is an impactful and insightful instructor who is able to inspire greatness in individuals as they seek to achieve success within organizations. Designed as an interactive learning experience, the program is ideal for corporations, entrepreneurs, students and every other organization where the individuals are the most valued asset." – Sharon Vosmek, CEO, Astia

"While there are many who claim to be leadership experts, Linda Bernardi is in a different category – her curriculum is grounded in her own experience as a successful technology executive and entrepreneur. She is one of the most dynamic speakers I have ever heard on the topics of leadership and career advancement. She had the audience on her feet! Workshop participants left inspired, energized, and ready to take the next step in their career." – Caroline Simard, PhD, Director of Research, Anita Borg Institute for Women and Technology

"Linda Bernardi's Leadership class proved to be extremely practical and engaging for anyone who aspires to become an entrepreneur or seek career progression. Linda's experience, as an entrepreneur and investor is very inspiring and refreshing. She brings a perspective where each of us has the ability to become a leader, but you must be willing to embark on a challenging but not impossible journey. In this workshop, be prepared to engage your thinking and be open to be pushed outside your comfort zone. I would recommend this class for anyone aspiring to progress both professionally and personally." – MBA candidate, London School of Business

Following are testimonials from class participants from Hewlett-Packard, Intel Corporation, Microsoft Corporation, Google, Goldman Sachs, CEOs, Entrepreneurs, the London School of Business and more organizations:

"Bernardi's presentations were excellent. I could see how she used her strengths, focus, intelligence, tenacity to move forward into positions of great influence and great jobs." – Technical Marketing Engineering Manager
